

**HUSBANDRY, PROTECTIVE
AND BUNKERING AGENCY
IN AFRICA**

Global coverage with local expertise

AFRICAN PORTS

Inchcape Shipping Services is well established in Africa, with 14 Inchcape owned port offices and a network of carefully selected and vetted partners. We oversee port calls, utilising our own staff who are physically on the ground, in close to 45 ports in key locations.

- ▶ 24/7 availability with a local Inchcape representative.
- ▶ Direct liaison with the vessel on all aspects of the call when required.
- ▶ Critical local expertise and liaison with managing local authorities.
- ▶ Assist with crew logistics, including transport to and from the airport, accommodation, and medical assistance.
- ▶ Coordination and facilitation of bunker supplies, supervision and sampling.

KENYA

Inchcape has a very experienced team for handling container, grain and steel shipments at the port of Mombasa.

Offices: Mombasa and Lamu

Contact: isskenyaenquiries@iss-shipping.com
